

MEDICATION MANAGEMENT IN THE COMMUNITY SETTING

| | |
|-------------------------|--|
| COURSE DURATION: | 2 hours (10.00am – 12.00pm) |
| COURSE LOCATION: | John Henry Institute – Suites 5&6, 68 Clarence St, Port Macquarie |
| COST: | \$90 per person |

Summary

This course is for existing staff whose role involves assisting with the administration of medication via a blister pack or supervising a client who self-medicates. This session will focus on the principles of good medication management and the role of the support worker in supporting a person to take their medication.

*PLEASE NOTE: this course is not accredited and **does not** include assessment. JHI does offer the accredited Administer and monitor medications skillset, so please contact us for further information if this is what you require.*

Content

- Understanding of the legal responsibilities of the support worker
- Rights of medication administration
- Side effects and adverse effects of medication
- PRN medication
- Incident process

Prerequisites

There are no pre-requisites to attend this course.

Assessment Requirements

Skills and knowledge will be assessed in the simulated environment during the training session. Follow up assessment in the workplace focusing on practical application of training is strongly recommended.

If deemed competent, you will be issued with a *Certificate of Completion*.

Course Numbers

In order for this course to proceed, a minimum of five (5) and maximum of ten (10) participants is required.

Course Length

Duration: 2 hours.

Refreshments: morning tea provided.
